Ilmenau, November 16<sup>th</sup> 2012

Dear Sir or Madam,

we are students from the "Ilmenau University of Technology" in Germany and we organise the 11th "**International Student Week in Ilmenau – ISWI 2013**". The conference has the motto "**moving YOUTH**" and is dedicated to the main topic "**Youth**". We invite students from all over the world to discuss the aspirations, goals, challenges and problems of youth, as well as to work out possible solutions.

The "**ISWI 2013**" will take place from **May 31<sup>st</sup> to June 9<sup>th</sup>, 2013** and is one of the largest international student conferences in the world.

We are deeply convinced of the necessity of intercultural communication and exchange to develop mutual understanding and tolerance. We will invite **370 students from all over the world** to experience a week full of interesting lectures, debates, cultural events and groupwork. Within the groups topics like "Identity – Who are we?", "Our virtual identity – Living a virtual life", "Young people's language – How do we communicate?", "Youth subcultures and scenes", "Education", "Health", "Media" as well as "Discrimination and equality", "Economy" and "Environment and sustainability" will be covered. Additionally there will be several art groups.

Attached to this letter is a poster. Would you please be so kind and forward the information about ISWI 2013 to your students, student organisations and student newspapers. It would be very helpful for us and we are very grateful for your efforts.

We also kindly invite you and your students to visit our website **[www.iswi2013.org](http://www.iswi2013.org)**, or use **our contact below** for more information on the application procedure and a thorough description of the conference and of the group-topics.

If internet application is not possible, we would appreciate it, if you could help us by giving the students the possibility to print the application form, which can also be found on our website.

We are really looking forward to welcome and to host students from your institution here in Germany.

The participants of ISWI 2013 will only have to pay for their travel expenses and the visa costs.

**The deadline for applications is January 15<sup>th</sup>, 2013.**

Thank you very much for your help.

Yours sincerely,

Paula Ajtai
